</tbody>
</table>

**Total Cost to PI** = $15,000

**Benefit to Student** = $20,181

### Note:

1. MIT charges a 10% fund transaction fee for off-campus RAs billed via invoice or purchase order. Note that on-campus (MIT) RA's may be subject to full MIT overhead of 50.6%. Additionally, sub-contracts may be subject to full MIT overhead of 50.6% and your institution's indirect fee which would apply to the first $25,000 of the sub-contract cost.
2. Stipend paid to student monthly over 4.5 months
3. HST MD students may apply for summer research support through various sources. Contact the HMS Scholars in Medicine Office (SMO) for list of resources or visit their website at https://meded.hms.harvard.edu/funding-smo
4. Summer PI funding done through lab. MIT does not normally process invoices.
5. If you have additional questions please contact Patty Cunningham (pat_cunningham@hms.harvard.edu or phone 617-432-1738)
6. MIT tuition subsidy applies only to RA appointments and not to fellowships.
7. Students planning to start PCE in April, please contact Laurie Ward (laurie@mit.edu) for pro-rated spring cost.
